Do you have a story to tell?

67. We’ve come to our last question! Have you participated in any health or well-being programs at Indiana University that had a positive or negative impact on you? Please feel free to share your story.

Analysis of employee qualitative responses is being conducted separately.

Thank you for participating in this important survey. In 2013, results will be shared with all employees of Indiana University, and we hope you’ll find that it was worthwhile to add your voice to this assessment of our workplace health and culture.
